HAY

PALISSADE CANTILEVER

HIGHLIGHTS

- Part of the Palissade Collection comprising dining chairs, lounge chairs, benches, and chaise longue
- Designed in colour and form to integrate effortlessly into natural landscapes
- Retaining the same design language as the original Palissade, the Cantilever Chairs feature a floating frame with a subtle flex
- Offers enhanced comfort through a dynamic, spring-like feel
- Designed to pair well with all Palissade furniture
- The chairs feature a weatherproof outdoor powder coating in various colour options or in a hot galvanised finish
- The collection is also available in a hot galvanised finish, ensuring a longer, maintenance-free lifetime
- Five different chair models to choose from – chair, armchair, dining armchair, and lounge chair
- Palissade Cover available for all Palissade Cantilever Lounge Chairs and Dining Armchairs

PALISSADE CANTILEVER DESIGN BY RONAN BOUROULLEC

Retaining the original's symmetrical design language, the Palissade Cantilever Collection offers a lighter expression of the iconic outdoor range, bringing a fresh perspective while preserving its timeless appeal. The floating frame creates an airy, elegant aesthetic, with a subtle flex that provides comfort through a gentle spring-like feel. Designed to integrate effortlessly into a natural landscape or urban setting, the Palissade Cantilever is ideal for relaxing, dining, and socialising across a variety of outdoor spaces.

Ronan Bouroullec is a French designer and artist based in Paris. He attended the École Supérieure des Arts Décoratifs before starting Bouroullec Studio with his brother. Together the design duo has transformed the design industry, offering new perspectives of materiality and purpose with an international portfolio that includes furniture, architecture, and artworks. Using a design approach based on simplicity, balance, and precision, Ronan works alongside other artists and creatives on multifaceted projects. For HAY, he has designed the Palissade Cord and Cantilever Collection.

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise the environmental impact throughout their lifecycle. We prioritise carefully selecting materials, such as recycled content, FSC™-certified wood, and water-based lacquer, while continuously increasing the number of eco-certified products. We adhere to strict regulatory requirements, and the majority of our products are tested to meet international standards for strength, durability, and safety.

PALISSADE SOFT QUILTED CUSHION COLLECTION

Adding extra comfort and functionality to Palissade's collection of chairs and benches, the Palissade Soft Quilted Cushion is specially formed to fit the majority of the Palissade models. Crafted in fabric with a water-repellent finish, the cushion features an anti-slip backing and is filled with a soft and thick foam crumb and silicon fibre ball padding. The fabric has a high UV resistance, meaning it is fade-resistant with good colour fastness properties. The cushions are available in three colours and can be used all year round.

MATERIALS

OUTDOOR FABRIC
Solution-dyed Olefin with water repellent-finish

FOAM AND FILLING
30% foam crumb
70% polyester silicone fibre balls

BACKING
Black anti-slip 100% recycled PET with biobased natural rubber coating on the seating surface

PALISSADE CUSHION COLLECTION

Adding extra comfort and functionality to the Palissade and Palissade Park collections, the Palissade Cushion is specially formed to fit each Palissade model perfectly. Available in two variants depending on the model – a thin, slightly padded variant and a quilted version with Velcro® fastening. All variants feature an anti-slip bottom to keep them securely in place and are crafted in Teflon®-coated fabric for a water-repellent finish. The fabric has a high UV resistance, meaning it is fade-resistant with good colour fastness properties. The cushions are available in four colours and can be used all year round.

MATERIALS

OUTDOOR FABRIC
Solution-dyed Olefin with water-repellent finish

FOAM
30 mm polyurethane foam

BACKING
Black anti-slip 100% recycled PET with biobased natural rubber coating
